It is the intent of Wood Lane School to offer remote learning opportunities throughout the school year 2020-2021. When students are engaged in the activities sent home by the classroom staff; and the parent/caregiver provides participation support for the student; attendance credit will be given for the day of remote learning. Ongoing communication between the home and the school is expected. Many methods of communication will be accepted such as virtual platforms, emails or notes, telephone/conference calls, etc.
