Attachment B:

Wood Lane School Locally Defined Student Engagement Seal:

Per the Ohio Department of Education, students will meet the requirement of the Student Engagement Seal by participating in extracurricular activities such as (but not limited to) athletics, clubs, or student government, to a meaningful extent, as determined by the guidelines set by the school district board of education or school governing authority.

At Wood Lane School the engagement seal can be met by completing at least two of the following:

- Participating weekly for a full semester in a transition or work task outside of the classroom which will benefit the school. The task can be repeated in a second semester to meet the second requirement for the engagement activity.
- Participating in a Recreation or Transition activity sponsored by the Wood County Board of Developmental Disabilities for the duration of the sponsored activity.
- Participating in a pre-approved community activity which meets for multiple opportunities over at least one semester for the full duration of the activity.
- Participating in a modified sport not sponsored by the Wood County Board of Developmental Disabilities for the full duration of the sport season.
